

# NURSERY EDUCATION

**We now offer a flexible Nursery provision. Please discuss your preferences/requirements with your Nursery Teacher and allow us to help to make Nursery education the best for your child and yourselves.**

All children are entitled to 15 hours per week free nursery provision during school term time from the term after their third birthday. At Mersey Vale we offer this 15 hours provision by children attending either a morning or an afternoon session for 3 hours each day. We are aware though that some parents/ carers may prefer their child to attend nursery for 2 ½ days (Monday, Tuesday & Wednesday morning OR Wednesday afternoon, Thursday and Friday) and that there may be parents/ carers who are interested in paying for additional nursery provision over the free 15 hours. Potentially this could mean your child being in Nursery for the whole school week.

We can accommodate any of these options and upon request, we can even offer ad hoc / emergency provision should this be required and available. Unfortunately, it may not be possible to meet every individual need but we will try to ensure there is sufficient flexibility so that the majority of needs are met. We believe that all of these options, provided by a qualified, experienced Early Years specialist teacher represent outstanding value for money.
